

CALL FOR PAPERS & INVITATION

The 14th Pacific Rim Bio-based Composite Symposium (Biocomp 2018)

Bio-based composites for better green life cycles

October 29-31, 2018

Swiss-belhotel, Makassar, Indonesia

We sincerely invite researchers and experts from universities, research institutions, government agencies and relevant industries to attend and participate at the 14th Pacific Rim Bio-Based Composite Symposium (Biocomp 2018)

Topics

- Biocomposite materials
- Fundamental and advance composite processing
- Polymer composite and bioplastic product
- Adhesive and bonding
- Modified wood composite
- Prospective and challenges of composite product industrially and environmentally

Abstract should follow the required format and be submitted on the website

Important dates

| | |
|-----------------------------|---------------------------|
| Abstract submission: | June 18, 2018 |
| Notification of Acceptance: | July 16, 2018 |
| Extended abstract deadline: | August 31, 2018 |
| Early registration payment: | Before September 10, 2018 |

Organized by Forestry Faculty
Hasanuddin University
Makassar, Indonesia
